Born, to Mr and Mrs Jordan Loftis, Wednesday night, Oct. 5, a 10 pound girl. Mr. Loftis who is chief mechanic at the local garage, came up in town early Thursday morning taking two high steps at time, and wearing a smile that wont come off. A glance at Mr. Loftis' face told the story. It not only reflected in his face, but the rapidity with which he walked convinced us that he had one more to provide for. He has asked his employees for a "leetle" raise in salary already, which he is justly entitled to.

## C. H. SCHOOL NOTES.

The 7th and 8th grades in mane are doing excellent work. Most all did well on examination. But as the work is growing more difficult as they advance, it will require more study at night, as well as at school to hold up their grades. Not only this, but regular attendance. Let me insist on the parents co-operating with us to the end, that they study at night and are regular in attendance and I am sure the results will be pleasing to all.
